

November 12, 2020

Grosse Isle School

Dear Parent/Guardian of Students at Grosse Isle School,

Manitoba public health officials advised Grosse Isle School on November 12, 2020 of a confirmed case of COVID-19 in an individual in the school on November 6, 2020 when the individual may have been infectious.

Grosse Isle School is working closely with public health officials and following their recommendations. School is working closely with public health officials and following their recommendations. Close contacts are being advised to self-isolate (quarantine) effective today.

The infection was not believed to be acquired at the school.

Please note: the school is not permitted to release the name or any identifying information about the confirmed case of COVID-19 to any member of the school, community or media.

If your child(ren) has been identified as being exposed to COVID-19 from this case, you will be contacted with a separate letter. However, if your child develops a new onset or worsening of any one symptom listed in Column A or any two or more symptoms listed in Column B (see table below), even if they are mild, immediately isolate them from others. It is recommended your child get tested for COVID-19 as soon as symptoms appear. Call Health Links—Info Santé at 204-788-8200 or toll-free at 1-888-315-9257 for information on testing and isolation.

A	B
Fever/Chills	Runny nose
Cough	Muscle aches
Sore throat/hoarse voice	Fatigue
Shortness of breath/difficulty breathing	Pink eye (conjunctivitis)
Loss of taste or smell	Headache
Vomiting or diarrhea for more than 24 hours	Skin rash of unknown cause
	Nausea or loss of appetite
	Poor feeding (if an infant)

Please note: individuals with symptoms outlined in columns A and B, who choose not to be tested, must isolate for a minimum of 10 days following the start of symptoms. Isolation can be stopped at day 10 if the individual has been symptom-free for 24 hours.

For more public health information about COVID-19, please visit <https://manitoba.ca/covid19/updates/resources.html>.

Sincerely,

Dr. Karen Robinson
