Warren Collegiate School  
119 MacDonald Avenue  
Warren, Manitoba R0C 3E0

Dear Parent/Guardian of Students at Warren Collegiate Institute,

Manitoba public health officials advised Warren Collegiate on November 11, 2020 of a confirmed case of COVID-19 in an individual in the school on November 2-4, when the individual may have been infectious.

Warren Collegiate is working closely with public health officials and following their recommendations. Public health has advised that there are no close contacts associated with this case.

Please note: The school is not permitted to release the name or any identifying information about the confirmed case of COVID-19 to any member of the school, community or media.

Although public health has advised that there are no close contacts associated with this case, if your child develops a new onset or worsening of any one symptom listed in Column A or any two or more symptoms listed in Column B (see table below), even if they are mild, immediately isolate them from others. It is recommended your child get tested for COVID-19 as soon as symptoms appear. Call Health Links—Info Santé at 204-788-8200 or toll-free at 1-888-315-9257 for information on testing and isolation.

---

<b>A</b>	<b>B</b>
