

## Interlake School Division Attendance Tracker

The student attendance data available on this page aims to ensure transparency of trends in ISD schools. As the [Toolkit for Notification of Cases in Schools](#) designed by Manitoba Education has undergone recent and significant changes, monitoring daily attendance divisionally and by school provides important information for staff and for families.

It is important to note that overall student attendance on any given date is never 100% due to the range of needs that families and communities are familiar with. As a point of reference, we typically expect daily attendance at each school to fall within the range of 85% - 95%. Should the attendance at one or more of ISD's schools change significantly during this period of monitoring, ISD staff will work closely with public health and with Manitoba Education to determine next steps and to communicate with families.

#### Notes About the Student Attendance Data:

- Student attendance data is gathered each day in all ISD schools. For the purpose of this page, data will be posted twice per week (on Tuesdays and Thursdays) and will represent attendance from the previous day (Mondays and Wednesdays).
- The Kindergarten to Grade 8 attendance displayed is calculated by dividing the total number of students marked 'present' during morning attendance by the total student population.
- The Grade 9 to Grade 12 attendance displayed is calculated by dividing the number of students marked 'present' during morning attendance (Period 1) by the total student population expected (for Period 1).
- The Colony Schools attendance displayed is a combined total of all nine (9) Colony Schools in ISD. It is calculated by dividing the total number of students marked 'present' during morning attendance by the total student population (K-12).

For general inquiries about divisional student attendance, please email ISD directly at: [isd@isd21.mb.ca](mailto:isd@isd21.mb.ca)

For school-specific inquiries about student attendance, please contact your child's school directly.
