

## Speech Practice Ideas for Home

If your child is already in speech therapy, please look at their Speech Language Program Plan as Guidance and try the following: Just try 1 new activity every day or when you think about it! 😊

### Use your good speech sound while:

- Reading aloud
- Telling someone a joke
- When talking on the phone
- Naming 3 things you see in the room
- Naming 3 animals
- While reciting a nurse rhyme or singing a song
- Saying a word with your sound 10 times before you go to bed tonight

### Listen for your Speech Sound:

- In the kitchen
- While watching cartoons

### Identify your Speech Sound:

- While looking out the window in the car
- Counting to 10
- While playing a board game or a video game
- In family and friend's names
- Your pet's name
