

Out of Class Physical Activity Consent Form

A student who is under the age of 18 must have this form signed by a Parent/Guardian and the student to obtain credit for participation in out of school physical activities as part of the Physical Education/Health Education (PE/HE) credit for Grades 9 to 12. Students under or over the age of 18 need to review and sign the form on page 3. Please return the completed form to the Physical Education teacher.

Parent/Guardian Declaration:

1. I understand that all the physical activities my child has chosen for the out-of-class component of this course have been accepted by the Physical Education teacher as indicated on my child's Personal Physical Activity Plan (attached).
2. I understand that there is a risk of injury associated with all types of physical activity. I have reviewed the recommended safety guidelines for the physical activities chosen by my child and have discussed them with my child.
3. I understand that the recommended safety guidelines are believed to reflect best practice and are considered minimum standards for physical activity in an organized or formal setting. They may, however, not apply to all situations (e.g., home-based, recreational, or modified activities), and more stringent safety standards may be applied by instructors/coaches/program leaders of out-of-class physical activities in organized programs.
4. I am aware that school staff will not inspect the facilities or equipment to be used by my child for the non-school-based physical activities my child has chosen for the out-of-class component of this course. I am also aware that I will therefore be responsible for ensuring, to the extent reasonably possible, that these facilities or equipment meet the recommended safety standards for the non-school-based physical activities my child may have chosen for this course. This may include investigating for evidence of general liability coverage.
5. I am aware that the school staff will not be present or in any way involved in supervising my child while my child participates in the non-school-based physical activities my child may have chosen for the out-of-class component of this course. I am also aware that I will therefore be responsible for ensuring, to the extent reasonably possible, that while participating in the non-school-based physical activities my child receives the appropriate level of instruction and/or supervision for my child's chosen activities. This may include investigating for evidence of general liability coverage and requirements for personnel to undergo criminal record and child abuse registry checks.
6. I will encourage my child to abide by the recommended safety guidelines for the physical activities my child has chosen for the out-of-class component of this course, and to abide by any other more stringent safety standards imposed by my child's instructors, coaches, or

program leaders while my child is participating in the listed non-school-based physical activities for the out-of-class component of this course. This is to ensure, to the extent reasonably possible, that no one is injured and no property is damaged or lost as a result of my child's participation in the out-of-class component of this course.

7. I understand that I will be responsible for paying for any and all fees that may result from my child's participation in physical activities for the out-of-class component of this course.
8. I understand that if my child wants to choose other physical activities for inclusion in the out-of-class component of this course, and these activities are not part of the attached Personal Physical Activity Plan, prior to participation my child must:
 - have these new physical activities accepted by the Physical Education teacher;
 - obtain the recommended safety guidelines for these new physical activities;
 - receive my consent to participate in the new physical activities.

Parent/Guardian Consent:

Having considered my child's mental and physical condition, and the risks and suitability to my child of the physical activities my child has chosen for the out-of-class component of this course, I consent to my child participating in the activities listed in the attached Personal Physical Activity Plan.

I have read, understand, and agree with the above statements.
