The Interlake School Division (ISD) recognizes that graduation is an important milestone for learners as well as a key indicator of student success in the Division. Therefore, the Division supports and sanctions school-based graduation ceremonies. The Division will provide funding support for the following:

1. The Interlake School Division will order diploma covers for all graduating students.
 - a) The diplomas will be paid for from the Division's budget.
 - b) The insert cost and ordering are the responsibility of each school.
2. Each high school will contact the division office with the number of graduating students by the third week of June of each year.
 - a) The Division will issue a cheque for \$40.00 per graduating student to each school to offset costs of the graduation exercises once the official graduation list is received.
 - b) Each high school will maintain a separate "Graduation Fund" within their school accounting program.
3. Each high school will inform the division office of the General Proficiency winner based on the criteria established at each high school.
