ICT Acceptable Use Agreement - Volunteers

All volunteers are required to complete an ICT Acceptable Use Agreement - Volunteers before receiving access to the Division or school ICT resources.

I have read the Interlake School Division Administrative Procedure 3140 entitled Responsible Use of Information and Communication Technologies - Employees and agree to comply with all guidelines and regulations.

I understand my responsibilities pertaining to the use of ICT resources.

I understand that any violation of the conditions, rules and guidelines set out in the Administrative Procedure will result in a loss of privileges and/or other consequences deemed necessary.

I agree to use ISD ICT resources in a responsible and ethical manner and consent to the disclosure by ISD of certain "personal information" as defined in The Freedom of Information and Protection of Privacy Act (FIPPA), (including the user's name, home address, e-mail address, school and any other information that may be relevant to the particular case) to the appropriate authorities. This may include the ISD and, in extreme cases, the police.
